	2009 September	2	0	0	14	
	2009 August	1	0	0	7	

Closed: ED is at maximum capacity resulting in ambulance diversion to other area hospitals. Forced Closure (FC): Closed per protocol P-39 Dynamic Forced Closure.

Totally Closed (TC): Closed to all ambulance transports including divert override. Ex: Internal disaster.

Forced Open (FO): Hours of time ED is forced open based on predefined algorithm. Presbyterian and University Hospital cannot be closed at the same time.
